DETAILED ACTION

1. Claims 1 and 11 have been cancelled.
2. Claims 12-14 have been added.
3. Claims 2-10 have been amended.
4. Claims 2-10 and 12-14 are pending.

EXAMINER'S AMENDMENT

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Henry Steckler on 30 November 2005.

The application has been amended as follows:

In the claims, please change the following: A network system, for processing IP traffic based on the information within the TCP headers carried in IP datagrams, comprising at least a network element according to claim ~~[[14]]~~ 13.

Allowable Subject Matter

6. **Claims 2-10 and 12-14** are allowed.
7. The following is an examiner's statement of reasons for allowance: The present invention is directed toward a method and system for optimizing data transmission in

TCP/IP networks. Each independent claim identifies the uniquely distinct features **“delaying the transmission of an encrypted IP datagram by a network element if the encrypted IP datagram comprises an indication of a TCP acknowledgement and the network element detects congestion in the network”**. The closest prior art, Vidrascu et al. (US Patent No. 5,583,940) discloses a method and device for enciphering messages between two networks, either singularly or in combination, fail to anticipate or render the above underlined limitations obvious.

8. Therefore, claims **12 and 13** and the respective **dependent claims 2-10 and 14** are in condition for allowance.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
